

Wine List

This list contains the remnants of the many years that Deno's was acknowledged by the Wine Spectator magazine and consistently awarded "Best of Award of Excellence" There are many gems hidden among some of our newer additions. It is our policy that our older vintages have a minimum of 20 minutes to open up and breathe. These older vintages are served "as is" unless corked. We are proud to offer wines that are rarely available but must note that their styles are intense and refined.

Enjoy!
